❑ VISA ❑ MC ❑ AMEX ❑ DISC

CREDIT CARD NUMBER

Exp: _____

Signature:_____

Registered Membership is open to all members certified by the Council for Homeopathic Certification. Registration entitles members to use the prestigious designation RSHom (NA), access to the legal defense fund, listings in the online and published directories, full voting rights, free promotional materials, *The American Homeopath* journal and more.

Associate and Student Memberships provide a variety of benefits such as the opportunity to network with the registered members to enhance their studies, referral source of registered members, access to the NASH library, access to current news and events and *The American Homeopath* journal. Members also benefit by knowing that their contribution helps to strengthen the status of homeopathy and enhance the homeopathic profession throughout North America.

Friends of NASH Memberships offer an opportunity for those who may not study or practice homeopathy but who believe strongly in homeopathy and wish to lend support to NASH's efforts to enhance the homeopathic profession. Choose a level that fits your budget.

School Memberships and the Student Liaison program keep future homeopaths from all across North America up to date on legislative, educational and practice issues. Member schools are listed on NASH's website. Student reps meet throughout the school year and share information with their student bodies.
